Sub: Accommodation in the Government Rest House, Monte, Margao.

Collectorate of South Goa receives numerous requests for accommodation in the Rest House from various Government Departments of this State as well as from Central Government Departments/Offices for stay of their officers.

State of Goa being a tourist destination, influx of people increases during the month November and December every year due to Christmas/New year. Also Goa State hosts International Film Festival during the end of November every year.

However, the request of officials/officers visiting the State for official work will be entertained on first come first served basis and shall be informed forthwith.

The confirmation of accommodation request at the Government Rest House for private/non-official visit will be given 48 hours prior to the actual date of reservation, depending upon the availability after first preference to official request.
