The DDRC was approved in 2000-01 and initially funded by the National Institute of Hearing Handicapped, Mumbai under this Department for the first 3 years. Thereafter, no proposal has been received from the DDRC for funds.

3. Collector, South Goa district sent a request for setting up a DDRC in South Goa District, Margao, Goa vide his letter dated 28.3.2013. The matter has been examined and it has been decided to set up DDRC at South Goa District also as well as to revive the DDRC Panaji set up earlier.

5. Central assistance is first released by us for the DDRC (directly to the District level) after State Govt./Distt. Administration take the following steps:-

- Formation of District Management Team (DMT) headed by the District Collector and having representatives of concerned Departments, to manage the DDRC, and be the custodian of its assets.
- Identification of suitable Implementing Agency (IA) by DMT for running the DDRC: DMT has to select a local Implementing Agency, preferably the District Red Cross Society, a similar autonomous/semi-autonomous body of the State Government, or a reputed NGO, for the day-to-day running of the DDRC. A suitable functionary of the IA is designated as the Nodal Officer for the DDRC.
- Accommodation : Provision of suitable rent-free accommodation, preferably barrier-free, and having adequate electricity and water facilities, for the DDRC.
- Preparatory action for Staffing: Each DDRC may have a maximum of 10 staff members, having specified qualifications, who are paid fixed honorarium. The Scheme does not envisage creation of permanent posts, and staff has to be appointed on honorarium/contractual basis by the Implementing Agency/DMT. State Govt. needs to issue necessary instructions and guidelines to the DMT regarding advance action, so that personnel are appointed as soon as the DDRC is sanctioned.
- Bank authorization details regarding separate account in the name of DDRC to be operated jointly by one official of DMT authorized by the DM and authorized signatory of the Implementing agency.

6. A copy of the DDRC Scheme (Annexure II) and spelling out the procedure for sending us proposals, is also being endorsed to the DM/Distt. Collector of the district.

7. I would be grateful if you could kindly have proposals for setting up new DDRC at South Goa district and proposal for revival of DDRC Panaji complete with prescribed documents under the DDRC scheme are sent to the Department of Empowerment of Persons with Disabilities, 5th Floor, B-Wing, Paryavaran Bhavan, CGO Complex, Lodhi Road, New Delhi – 110 003 , to enable us to take further action.
